Guest Speaker

Chris Cucchiara

Head Coach and
VP of Market Development
*Inspiring Teams to Reach their
Greatest Potential*

A dedicated and successful entrepreneur for over thirty years, Chris is a former world-class body-builder. Recognized as a seasoned professional in both the fitness and network marketing industries, he is a powerful and unique coach.

His mentoring skills in human potential, business leadership, and lifestyle management are unexcelled.

Delving into network marketing after 15 successful years in the gym business, he hit new heights as a highly recognized leader in one of the largest global network marketing organizations. Chris brings over 16 years of truly amazing network marketing skills to this seminar.

Searching for the right balance of personal wealth-building, environmental sensitivity, and personal health, Chris became the VP of Market Development (and Head Coach) of Amazon Herb Company. With his successful career of leading thousands to new levels of personal growth and financial success, in this powerful seminar Chris will share with you many of the simple, yet life-changing secrets he has learned. Come early – you won't want to miss a word.

As you would expect, Chris has been featured in both *Success Magazine*, and *Your Business at Home*. He is also the author of ***Lessons from the Gym*** – Finding Purpose and Profit through Network Marketing.
